#### Thumbprint Fish Picture Example

#### Thumbprint Fish Picture Instructions:

1. Cut water shape from blue construction paper and glue to light blue construction paper.
2. Squirt orange acrylic paint onto paper plate (or use orange ink pad).
3. Press thumb or first finger into paint and make a print onto the royal blue water (to resemble fish swimming). Make several thumbprint fish.
4. Do the same with white paint, adding two birds to the light blue sky.
5. When paint is dry, add fish and bird features with black permanent marker.
6. Add a few white reinforcement labels to water to resemble bubbles.
7. Add Today's Bible Verse and Main Point stickers to front of completed craft.
8. Write child's name on back.
